

ROOH

PROGRESSIVE INDIAN

Taste, or Rasa, has a special significance in Ayurveda, as it is not only a potent instrument that governs how we experience our food, but the overall flavor of our existence. According to ancient Ayurvedic wisdom, the six rasas sweet, sour, salty, bitter, pungent and astringent help achieve a balance of body, mind and spirit.

At ROOH we have created a menu featuring 12 distinctive new world cocktails that are inspired by these rasas with a blend of unique Indian ingredients, homemade shrubs, spices and artisanal spirits.
