

ROOH

AYURVEDA INSPIRED COCKTAILS

Taste or Rasa has a special significance in Ayurveda as it is not only an instrument that governs how we experience our food, but the overall flavor of our existence.

According to ancient Ayurvedic wisdom, the six rasas, sweet, sour, salty, bitter, pungent and astringent help achieve a balance of body, mind and spirit.

At ROOH we have created a menu featuring 9 distinctive new world cocktails that are inspired by these rasas.

All of our cocktails are created with a blend of unique Indian ingredients, spices, fresh shrubs and artisanal spirits.
